

20 Lovett Street DEVONPORT TAS

3 2 2

These proud home owners have decided it's time to move on and what they are leaving is perhaps the most perfectly presented home we have seen.

From the moment you pull up outside this property you will be amazed at the condition of this home. We couldn't find anything out of place or more importantly without a place and the home is both inviting and extremely liveable. With 3 good sized bedrooms and a study, two living areas, an ensuite from the main bedroom, beautiful kitchen and alfresco areas, this home had something for everyone. Garage space, carport, workshop and another outdoor area it goes on and on its superb inspect today.

- * 3 bedroom plus study brick veneer home
- * Two separate living areas plus a beautiful sunroom

Type : House
Building Size : 16 sqm
Land Size : 855 sqm
