4 2 1

* From the moment you walk into this tastefully renovated home you can see its set up for the entertainer or large family.

* The home has a low maintenance front & backyard and is simply fantastic for those who lead a busy lifestyle, however as you can see in the attached photos there is ample room the kids to play.

* Outside there is a separate lock up garage and a fully fenced yard.

* Inside is an updated open plan kitchen, dining and the first of two living areas.

* There is nothing to spend and plenty to boast about.

* The main bedroom is somewhat of a private area with ensuite amenities complimenting this space perfectly.

* This large home also features 3 more bedrooms all with
