

143 Steele Street DEVONPORT TAS

3 1 2

Large blocks in the heart of the city are hard to find, and ones with a large shed are even more scarce. This fully renovated home has the best of both worlds with space galore and the city at your doorstep. The shed measures approximately 7x9m and with a toilet and heater is the ultimate in storage/ workshop space. The large block allows parking, front and rear, for a multitude of large vehicles and will easily accommodate cars, caravans and boats. Superbly renovated the home offers a modern kitchen and bathroom, polished myrtle floors and three large bedrooms all with plenty of storage. With a heat pump and a northerly aspect the home is warm and bright and lends itself to either being a great investment or a superbly comfortable family home. Inspection is a must
