

73 Leven Street ULVERSTONE TAS

4 1 1

If you're looking for a home with Triple sized bedrooms then this is it.

The federation home, built in 1914 has undergone an inside transformation over the past 4 years.

The outside has had a new coat of paint and the old iron roof has made way for a new Colorbond one.

Inside the home a complete over hall has taken place.

A new kitchen with Merbau benchtops and quality appliances compliments the historic feel of this home.

As you make your way through the expansive Living room you will notice the house is amply heated by the Saxon wood fire.

The bathroom has had a tasteful make over too, with new plumbing and fittings throughout.
