3 1 7

It's not very often a property with this much to offer becomes available. This home has been in the same family for over 80 years and has seen some substantial changes through its lifetime. The homestead is substantially renovated but still retains the charm and warmth of a period home. The out buildings are superb with under cover parking for 7 vehicles, workshops, stables, storage sheds and even an old dairy. The land area is approximately 3.47 ha or around 8.5 acres and offers plenty of scope for the hobby farmer, horse enthusiast or kids with motorbikes. With a huge solar array and plenty of water the picture is complete enquire today this is simply superb.
