4 2 4

This could well be the most perfectly appointed home we have seen for quite some time. Nestled away in a very quiet area of Latrobe with excellent access to all facilities, this home has a feature set and style perfect for the growing family. With four generous bedrooms, two separate living areas, two bathrooms and a large double garage the home is perfectly equipped for a large family and allows plenty of style and space for growth. Add to this a separate double garage with wood heater, a sheltered alfresco dining area and a study nook and the picture is complete. Inspection is essential to appreciate the space and features of this home.
