

**138 Middle Road DEVONPORT TAS**

3 1 2

Rarely does a home come along that exceeds our expectations, but this one has managed to do it. When the vendors described the work they had done we thought ok yeah this sounds nice, the real thing was better than we imagined. Originally this "wolf in a sheep's clothing" began life as a 2 bedroom weatherboard home, but through a large extension and some serious re-design work it has grown substantially. The works list is huge, double glazed windows were added for thermal excellence, the exterior was clad in colour bond to compliment the brick tones and two extra rooms were added. The home now comprises 3 large bedrooms all with built in robes, 2 separate living areas, a large undercover deck with servery windows at each end and massive amount of storage. The driveway has been seriously upgraded and offers plenty of parking
