

**2/8 Fenton Street DEVONPORT TAS**

2  1 

One thing you won't need living in this fantastic unit is a Car, I mean if you really need one it can be accommodated, but seriously the City Centre is so close walking is the best option. Situated in a highly desirable area of Devonport this 2 bedroom unit is bright and sunny and literally in the heart of the CBD. Schools, shops, cafes, bars and restaurants are all at your doorstep and the view is exciting. The bedrooms are quite spacious and so is the living area, the bathroom has seen some upgrades and overall the presentation is excellent. Invest or Reside this is an excellent property either way.
