

81 Bel-Air Crescent AMBLESIDE TAS

3 1 2

Every now and then we find a home that just feels right when you walk in the front door, luckily for us this is one such home.

We are proud to offer for sale a truly loved family home, one that has been lovingly renovated not for a quick resale but for the enjoyment of the family it has nurtured.

Having said that this family has been able to enjoy a very relaxed lifestyle with all the modern conveniences one would expect along with plenty of surprises.

The floor plan consists of three large bedrooms all with built-in robes, two separate living areas, including a huge rumpus room complete with a bar and pool table, a completely renovated kitchen, bathroom and laundry, a double garage and one of the best decks we have seen in recent times.
