

35 Scotts Court ACACIA HILLS TAS

3 2 16

I'm not sure I've ever seen a property with so much to offer. Sure we've seen homes with big sheds and we've seen beautifully built homes with views and space, but never have we seen a package like this.

The home has recently been completed and two bedrooms have never been used.

The home has three bedrooms in total with an ensuite from the main bedroom, a huge open plan living area with dual heating options and a north facing deck, perfect for entertaining whilst enjoying views of the valley.

The kitchen is adjacent to the main living area and allows ease of cooking whilst entertaining.

The home has been designed for low maintenance living with double glazed windows and led lighting throughout.
