This could be one of the most impressive homes we've seen in recent times. Situated a mere 140m walk to beautiful West Ulverstone Beach, this home is spacious, sunny and full of features. The home is ideal for a larger family, with enormous bedrooms, multiple living areas and just to cap it all of 4 bathrooms. Two ensuites and another bathroom on each floor. Speaking of floors, the stairs are exceptionally well designed and with the addition of a lift the home is future proofed.
